Westfield Senior High School, Westfield, NJ

June 2025

Westfield College Men's Club Scholarship Recipient

GPA: 4.19

TECHNICAL SKILLS

Proficient in Python and Java. Intermediate in Excel Spreadsheets

PROJECTS

Stevens Institute of Technology | Hoboken, NJ

Music Recommendation Algorithm

November 2025 - December 2025

- Created an algorithm that provides artist recommendations based on artist similarities to other users

Westfield High School | Westfield, NJ

Automated Schedule & Deadline Tracker

March 2025 - June 2025

- Developed a Google Apps Script automation tool that imports structured data from Google Sheets directly into Google Calendar, eliminating manual entry
- Implemented dynamic color-coding logic to visually flag upcoming deadlines (yellow within 2 weeks, red within 1 week), improving time management visibility
- Adopted by a high school teacher for institutional use to manage block schedule tracking across classes

LEADERSHIP EXPERIENCE

Eagle Scout | Boy Scouts of America

(add scouting start date) - June 2025

- Led a team of Scouts to design and install a QR code-based digital field guide for a local arboretum, linking physical trail markers to an online plant and tree database
- Managed all aspects of project planning and execution, including content creation, volunteer coordination, and physical installation
- Demonstrated initiative by independently developing the digital documentation system while delegating construction and installation tasks to team members

ACTIVITIES

Boy Scouts of America, Varsity High School Track, Club Frisbee, Take Steps for Crohn's and Colitis, Students Change Hunger

Available to work: Fall 2026 - Spring 2027
